Faculty Research: Dr. Karl Miller and Dr. Janet Davis at Humanities Texas Teachers Institute on 1960s America

by American Studies

AMS :: ATX is a blog dedicated to representing the many activities and interests of the department of American Studies at The University of Texas at Austin. Together with the department's Twitter feed, this blog exists to serve the AMS and Austin communities by acting as a hub for up-to-date information on events and opportunities at UT and beyond.

Some very cool activities from our faculty this summer: **Dr. Karl Miller** and **Dr. Janet Davis** are both participants in the Humanities Texas Institute for Texas Teachers, this year's theme being "America in the 1960s." Dr. Davis gave a presentation yesterday on "Influential Women in the Sixties," and Dr. Miller is today speaking about "Music in the 1960s." Both also led primary source workshops in the afternoons.

We just wish we could attend, too!
