Dear Dr. Mijer:

Thank you very much for sending me a copy of your paper
"The Stratigraphical Distribution of Echinoids in the Chalk and
Tuffaceous Chalk in the Neighborhood of Maastricht (Netherlands)."
I am very happy to have it available for study.

I am now in possession of the type specimens of Faujas-
Saint-Fonds Rastellum from Maastricht and have to study them.

With best wishes.

Sincerely,

H. B. Stenzel
