

UNITED GAS SYSTEM
RUSK BUILDING
HOUSTON, TEXAS

June 13, 1934

Mr. H. B. Stenzel,
Bureau of Economic Geology,
Austin, Texas.

Dear Dr. Stenzel:

I was very glad to learn you have secured a place with the Bureau for the summer.

I know definitely that I will be unable to go into the field during this month as it being the vacation period, we are short handed.

Yours with kindest regards,

M. C. Israelsky
