Dear Mr. Bennett,

I hope that you already know that I have taken the job at Fordham University. Marsha and I are very excited about it.

It is an ideal position for me to start with. I may have told you that my 1st year will include tragedy in translation, intro. latin, latin and Gr. undergraduate authors, and a graduate course in Homer. Mr. McCordie has let me know that there is a chance of doing something w/ the Institute of Fine Arts' Aegon Seminar. NY for Marsha will present many job prospects, a lot of healthy competition, and even the possibility - if we get some sort of financial break - of her pursuing here MFA at the Fordham - Lincoln Center campus.

I told you already of Bruce's acceptance of my short article on the KH fresco inscription. I now have to work like a slave to get the dissertation done. I'll keep you informed of progress. At least now I have no interviews, visits, etc. to worry about.

PLEASE: send list of good Bronze Age grad programs to me for Mrs. Ulanopoulou. Also answer on photographs for Aravontianou!

Marsha is in the states now to have her eye checked out. It would mean a lot to her to have a call from you if you could manage it. She's at:

Steve Gallo (her father)
8231 Overlook
Broadview Apts., Ohio 44147

Phone: 216 - 526 - 4807.

I hope that you are getting on well. I told you about meeting Pat Hirsch in Berlin didn't I.

My best regards, my sincere thanks for all your help.

Yours,
Tom
