Dr. Roy R. Morse  
Shell Oil Company  
Houston, Texas

Dear Dr. Morse :

Please accept my thanks for the separate of "The Nature and Significance of Certain Variations in Composition of Los Angeles Basin Groundwaters " which you were so kind to send to me recently. I appreciate greatly to have this paper called to my attention that way because the subject is one that interests me greatly.

With best wishes,

Sincerely yours,

H. B. Stenzel, Geologist
