Air Ministry Bulletin No.8335

SIR ARCHIBALD SINCLAIR CONGRATULATES BOMBER COMMAND

The following message has been sent by the Secretary of State for Air, Sir Archibald Sinclair, to Air Marshal Harris, A.O.C.-in-C. Bomber Command.

"I am desired by the War Cabinet to convey their congratulations to you and to the officers and men under your command, who planned and carried out the successful attack upon the armament works at Le Creusot.

"The skill and daring with which this great daylight raid was planned and executed, and the weight of the blow which you have struck against German war production from occupied France, are fully appreciated by the Government.

Archibald Sinclair."
