Dear Dr. Stenzel:

Re: Bowden Locality Fossils  
Jamaica

I think we should by all means set aside \$50.00 from our M and E Fund to purchase from Mr. Adkins fossils, specimens, and microfossil material from the Bowden locality (Tertiary) in Jamaica which was monographed by Wendell P. Woodring in the Carnegie Institute Publications.

When Mr. Adkins is ready to supply the material will you please furnish the list and description of material so a requisition can be made.

Very truly yours,

  
Samuel P. Ellison, Jr.  
Chairman
