Dear Puras,

We returned to Baton Rouge safely and I have recovered from the rigors of that field trip. A highlight of the trip was and will remain the time I spent at your house. It was most interesting and gratifying. Please accept my thanks for your kindness. Should you come to Baton Rouge sometime, please let me know about it. I would love to introduce you to Louisiana oysters, about which we are so very proud.

Best wishes.

Sincerely yours,
