Dr. H. B. Stenzel
Bureau of Economic Geology
University of Texas
Austin, Texas

Dear Doctor:

Thank you for your abstract on "Cretaceous Crab". Also for the fine plates. Please be advised that we have not yet received the photographs of Messrs. Turner and Hesse, co-authors of your paper on the "Burkeville Fauna". Unless we get these soon we will be compelled to do without them, much as we dislike to do so. Please advise.

Yours truly

S. M. Aronson, Chairman
Publications Committee
