H. B. Stenzel*

Dear Dr. Stenzel:

This will confirm in writing the arrangements which have been made through earlier conversations for you to continue as Visiting Lecturer in Geology for the second semester of the academic year 1963-64 with duties exactly as performed in 1961-62 and in 1962-63. The total stipend, as budgeted, is \$2,500.00.

It continues to be a pleasure to the faculty of the Department of Geology that you find it possible to continue your valuable services both to the staff and to the students. Your background and experience constitute important resources, particularly to a relatively young department.

Will you please sign and return the carbon of this letter, indicating thereby that you understand and accept the terms of this appointment.

With best wishes, I am

Cordially yours,

*Carey Croneis*
