ARTHUR K. MILLER, Ph.D., Research Associate in Fossil Invertebrates

*Professor of Geology, Columbia University

November 10, 1950.

Dear Henryk:

I have been arranging a get to-gether of the members of the Pelecypod Subcommittee of the TREATISE project for a meeting at dinner time on Friday of the G.S.A. meetings. Perhaps it would be well for us to meet in the lobby of the Statler Hotel at about 5:45 and then we will find a place to eat. Possibly, you will want to attend the Pick and Hammer show, which starts at 8:30 in another part of the city. I am sure that we can break up by 8 o'clock, or even earlier.

Hoping that you can make it, I am

Very cordially yours,

Norman D. Newell sm.
Norman D. Newell

Curator, Fossil Invertebrates.

Dr. H. B. Stenzel,
Bureau of Econ. Geology,
University of Texas,
Austin, Texas.

Dictated but not read.
