

4001 Agnes St  
before America Tax

Nov. 13 - 1941

Dear Walter Stenzel:

The meeting in  
Mantoney was a great success, I  
believe. Every one who attended  
and who expressed his opinion to  
me, had a good time and felt  
that he had learned some thing.

I am sorry you couldn't attend.

I am mailing you a copy of  
the book that was distributed  
to registrants at the meeting

It has quite a lot of work  
in it.

Good luck and thanks  
again for your efforts.

Best regards

Yours truly  
L.W. Stone
