Dear Mr. Bennett,  
thanks a lot for the two sign lists from your Minoan  
Linear B Index. If it is not too much of a trouble  
for you, could you please have a review copy sent to  
me at your earliest convenience. Minoan I/2 has not  
yet appeared. This delay is really too bad. But one  
always needs a lot of patience with Spain. A  
review of your Pylus Tablets is being issued therein.  
I shall not fail to send voucher copies to the Prince-  
ton University Press as soon as possible. I hope to  
hear very soon from you and to have a chance to  
meet you in the very near future.

Yours very truly

Emilio Ferrara
