Dear Emmett -

I have had to come to Cambridge itself to discover that Heffer's (W. Heffer and Sons, 3-4 Petty Cur, Cambridge) are now handling our maps - (having taken over those I sent to Edith Clay). If you can very kindly assert a simple note to that effect in your next Nestor, it will simplify things for British customers. If someone from the British School had told me this it would have simplified my problems - and correspondence.

I have had a busy week at the Victoria and Albert in London working on a tapestry manuscript of Alan's and shall continue there next week, when my Cambridge visit (chiefly legal!) is finished -

I told you I think that I expect to be back in Athens on November 20th. I have not yet seen John Chadwick here but hope to do so or at least to have a telephone chat -

My best to you all -

Yours ever

Helen Wace.
