Dear Karl,

As you see, I am enclosing a letter for John De Ford in connection with the possibility of coming back to Austin for a concert with the local symphony next November. Unfortunately I don't have his address, so would you be kind enough to send the enclosed letter along to him.

This gives me the opportunity to thank you most warmly for the especially nice dinner party at your home. I enjoyed meeting the members of the Music Department and having a chance to chat with them.

Let's hope something is made definite for a return visit in November.

Greetings to your family.
