Mr. H. S. Puri
11 Gursaday Road
Calcutta 19, India

Dear Mr. Puri:

I gratefully acknowledge the receipt of "The Geology of British Oilfields 3. The Oilfields of Burma" by P. Evans and C. A. Sansom, and Palaeontologia Indica, New Series, Vol. XXIV, Memoir No. 1, "The Eocene Beds of the Punjab Salt Range". By separate mail I am sending you a complimentary copy of the Geology of Texas, University of Texas Bulletin 3232. I hope you can use this publication for general reference. In the meantime, I suppose you have received my recent air mail letter containing the various blanks.

Sincerely yours,

H. B. Stensel
Geologist

HBS:stm

I have just received copy of "On the Marl Deposits of Lucknow, Bara Banki, Unao and Rae Bareilly Districts in the United Provinces and Possibilities of Cement Manufacture" which you so kindly sent to me. Many thanks.
