Dear Henryk:

This is thanks again for a very pleasant field day and luncheon. I have not seen that Shell Service Station yet but I'm sure I'll find one.

I'm looking forward to reading your "review of the midway".

If there is anything I can do for you in Austin please let me know.

I'm sorry I did not get to take in all of the field trip. If you plan any more, please give me a little advance notice.

Sincerely,
Bill
