INDIAN JOINT WAR COMMUNIQUE NO. 107

The following Joint War Communique from India was received in London today:

From the Arakan front there is nothing to report.

Yesterday morning, April 17, R.A.F. Blenheims escorted by Hurricanes made a sharp attack, concentrated within five minutes, on seven Japanese occupied villages in the Foul Point area and on Akyab Island.

Another formation of Blenheims, with fighter escort, bombed enemy concentrations on the coast of the Mayu Peninsula, and Hurricanes machine gunned objectives in the same area.

Later in the day our medium bombers attacked the railway junction at Naba in Upper Burma with good results.

From these and other operations none of our aircraft is missing.
