Dear Lonsdale:

Your letters of June 7th and 14th have been received.

It is very nice of you to take a stand concerning salary adjustments. Your letter to Painter will probably help considerably in this matter. Since you mentioned that I might do so, I have told others here about your letter. For my part I wish to thank you for your effort.

I hope you are right that conditions for Bureau staff members will improve.

I shall be glad to send some books to Mac. There are a few new ones in the lines which he mentioned. He ought to have time now to do a little reading.

With best regards and congratulations.

Sincerely yours

H. B. Stenzel
