Mr. F. L. Stead
Continental Oil Company
P. O. Box 431
Midland, Texas

Dear Fred:

Thank you for the copy of your "Foraminifera of the Glen Rose formation". Your paper has been favorably commented on by people who know the subject well; it is a nice contribution. I wish I had had opportunity to see the manuscript before it was printed, because certain minor corrections could have been made.

I hope everything is well with you. Best personal regards,

Sincerely,

H. B. Stenzel
Geologist
