The legislation for this appropriation requests that \$ 630 shall be allocated by the Students' Association for purposes set out in the corresponding legislation. The Office of Financial Director recommends that the request of \$ 630 should be disbursed from the General Fund appropriation for 1988-1989. The General Fund includes money allocated to specific programs designated prior to presentation of the budget to the Student Services Fee Committee during Spring semester. The Holiday Food and Clothing Drive qualifies for an allocation from the general fund under this provision.
