Professor Keith Young
Geology Department
University of Texas
Austin, Texas

Dear Keith:

Thank you very much for sending me an autographed copy of your booklet on the History of Geology at the University of Texas. You must have spent a good deal of time on compiling the data.

There is a small error on fig. 2--my service with the Bureau was a little over 20 years, from 1934 to 1954.

Sincerely yours,

H. B. Stenzel
