

# Developing an Academic Journal Collection for Gender Studies Scholarship

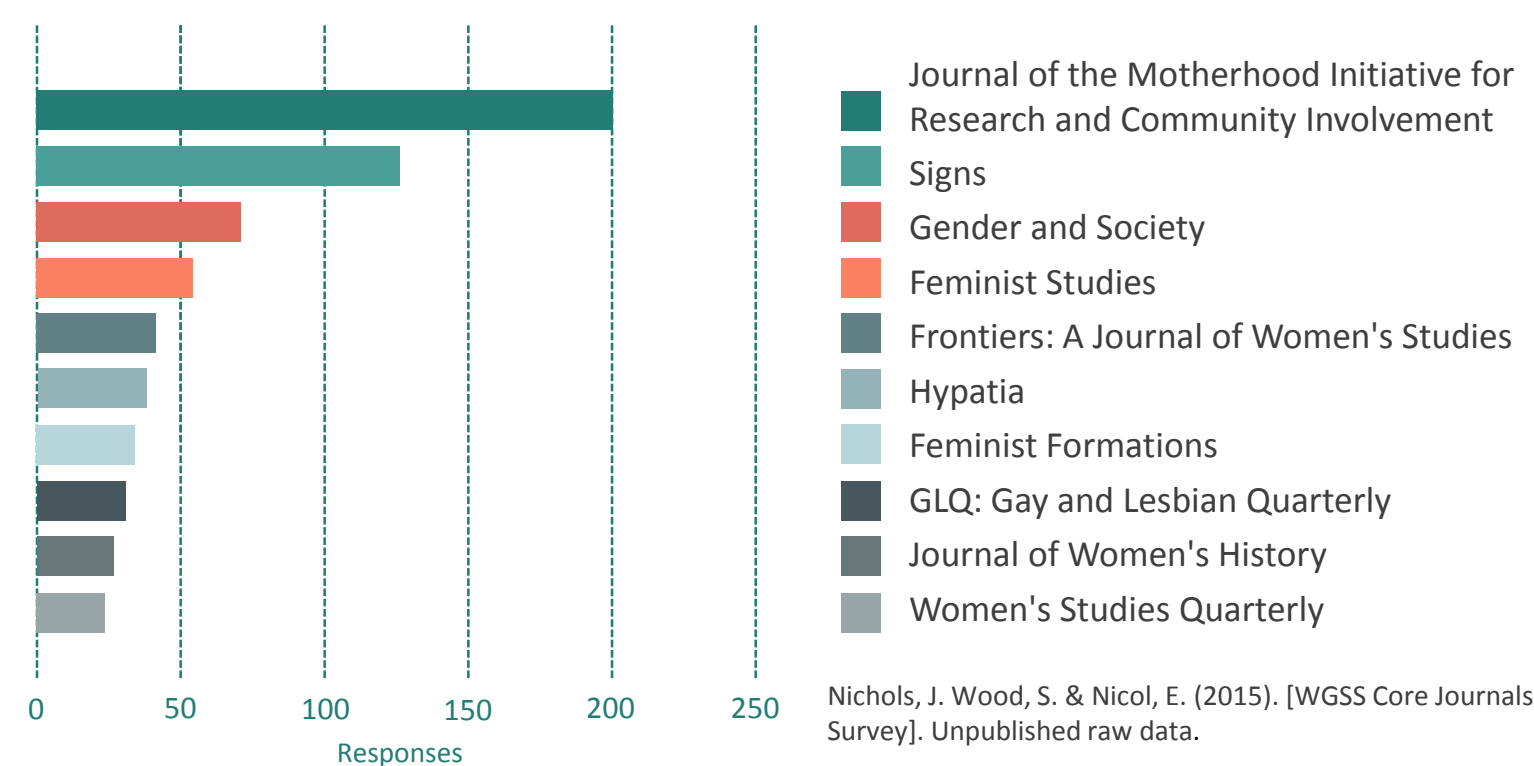

Allyssa Guzman

Supervised by Carolyn Cunningham, UT Libraries and Dr. Lynn Westbrook, School of Information

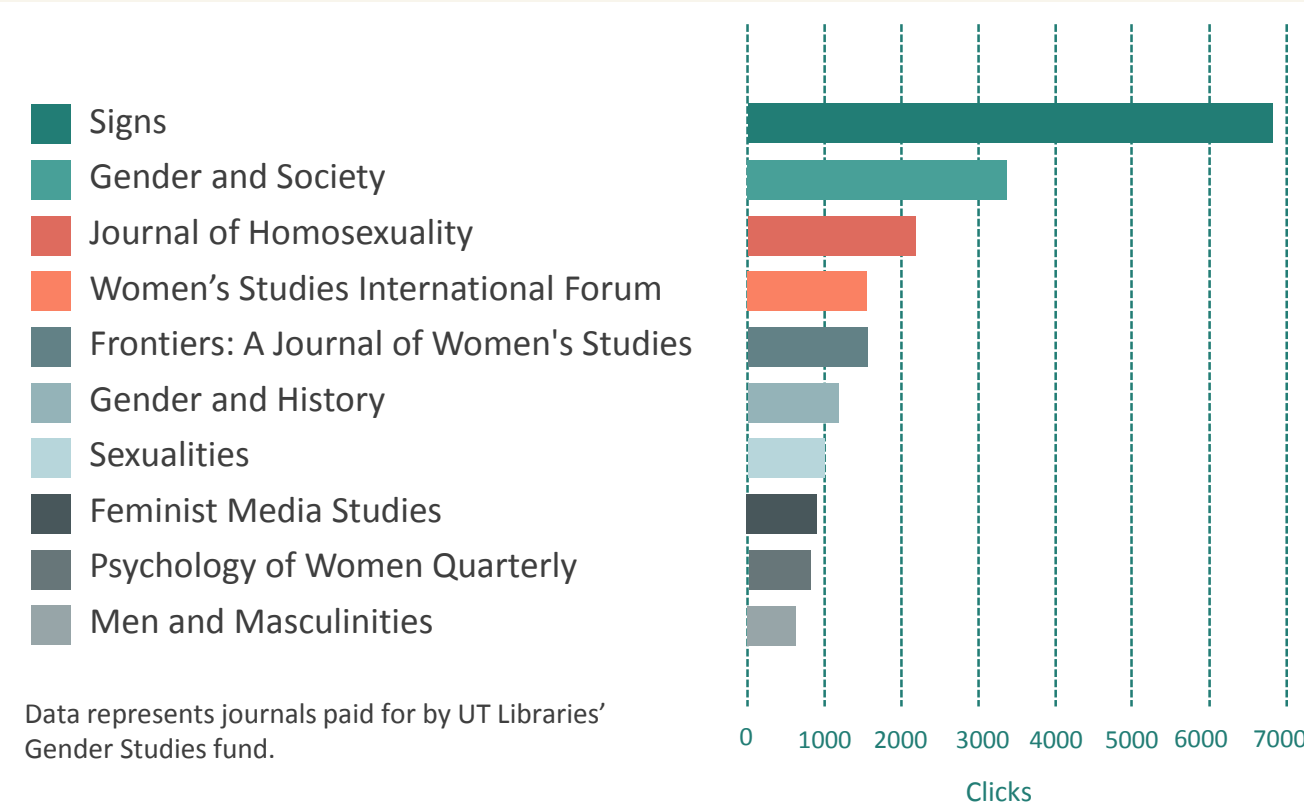

## Introduction

I analyzed the UT Libraries journals in Women's Studies, LGBTQ, and Sexualities Studies to determine where the collection might need to grow to support scholarship on campus. I outlined a list of 15 titles to add to the library's collection and presented this information to the Center for Women's and Gender Studies.
