Dear Sir:

Due to a sudden sickness and fever I was unable to answer your letter of November 17, earlier.

I would be glad to try to identify the ammonite for you. However, I hope action on this can be postponed to after February 1, 1954, because of certain administrative conditions under which I work.

If this is not agreeable to you I can find someone else here well versed in ammonites.

My usual fee for such work is \$50.00.

Very sincerely yours,

H. B. Stenzel
