Shell Oil Company
3737 Ballaire Boulevard
Houston, Texas

Dear Dr. Stenzel:

This will acknowledge the return of Stone's four notebooks.
I am glad we were able to make them available for your use.

The world looks ros³y this morning, ~~all believe it but a~~ *albeit*
trifle warm. Bertha and a jillion Austin teachers started
back yesterday, and I wonder how soon Yeta gets into the
swim. Give her our best wishes for a pleasant year.

Very sincerely yours,

Josephine
