Dr. H. B. Stenzel  
A & M College  
College Station, Texas

Dear Stenzel:

I am writing to inquire if you still have the collections which we made in the vicinity of Lexington, Lee County, last summer, and if you have had time to look these over. I should like very much if you would look over these hurriedly sometime and I shall come to College Station to discuss the determinations with you. I presume that you will be occupied in the field until college begins.

I trust that you are having a profitable and enjoyable field season.

With best regards,

Sincerely yours,
