Mr. M. Avnimelech  
The Hebrew University  
Jerusalem

Dear Sir :

The separates of your papers have arrived safely here in Texas, and I wish to thank you for your kindness in sending me these interesting papers. I hope we will be able to remain in exchange of publications in the future. However, at present I believe the hazards of shipment are too great to risk shipping.

Please give my best regards to Professor Picard.

Very sincerely yours,

H. B. Stenzel, Geologist
