Dr. R. M. Carter
Department of Geology
University of Otago
Dunedin, New Zealand

Dear Dr. Carter:

Thank you for sending me a copy of your "Functional studies on the Cretaceous oyster Arctostrea." I intend to use your excellent pictures of Lopha folium phenotype bresia for illustrations in the Treatise on Invertebrate Paleontology. They are the best ones I have seen.

Best wishes
Sincerely yours,

H. B. Stenzel
Visiting Professor
of Geology

HBS:smc
