Dear Henryk:

Many thanks for your letter of September 26, and no apologies are necessary -- you did your part by going over my manuscript. I was a little concerned at not hearing from you, primarily because we wanted to be sure that you plan to be at Dallas next April.

Regarding your suggestion for Marathon support -- as soon as we set up a fund for supporting retired paleontologists, I'll put your name in the pot.

All my best,

R. Dana Russell
