Dear Dr. Bennett,

I apologise for this delay in answering your kind letter- I could not make any plans until I knew what I was doing at the end of term. I am eager to meet both you and Dr. Palaima in Madison - the opportunity to talk to both of you at once is not to be missed. The frustration of narrowing down my thesis topic would be diminished greatly if I could know ahead of time what is and is not possible. I can come up to Madison any time after June 14 and before June 29, when I leave for Greece, but would like to come before June 20. On what date does Dr. Palaima arrive? Could you also tell me about possible places to stay overnight - in a dormitory on campus, for instance? I am looking forward to coming very much.

Sincerely,

Ruth Palmer
