

INTEROFFICE MEMORANDUM

FROM	Ann Carter	DATE	June 6 1958
TO	Dr. Stenzel	SUBJECT	
COPIES TO		REPLYING TO YOUR LETTER	FILE NO.

I imposed on Jim Wilson to bring these notebooks to you since Phil Moray thought it would not be advisable to send by mail. I promised him I would return them by hand next time I made a trip to Austin.

These four notebooks contain a scattering of Mrs. Plummer's localities, some of which I hope you will find useful.

Regards,

Ann
