

August 4, 1947

Mr. James P. Huie
Pearsall, Texas

Dear Mr. Huie:

I was glad to have your letter of July 29 explaining that you had made good progress in your work. I shall be back from the field the end of this week, that is, August 9. Then next week I shall be able to go out with you and see your results. Please send me your telephone number in Pearsall so I may phone you the exact date.

Sincerely yours,

H. B. STENZEL
Geologist
