Dear Stenzel:

Since writing to you yesterday I
have talked to Thompson and he feels almost
sure that we will have a Lar County mop by
Monday. If you do not receive one by Tuesday
I suggest you wire Henry Cortes at our
Houston office. since Thompson will be out.

Best regards.
Reinick

P.S. Stenzel give me your residence
address in Bryan so that if I
need communicate with you I shall
know where to reach you.
