**How to add an amendment**

go to SG Archives

hit ADD

Owner – any rep can be the owner, you can only update legislation that you are the owner

Once it is approved it is on the website, but that does not mean that it has been passed

Fill out owner, title, authors, sponsors, footnotes, comments, select number of sections, click create SG amendments, when finished click save and exit

To work on an amendment again, you can go and hit update, then click edit on a section to change whatever needed. You also have the ability to move sections.

Reps also have access to create surveys and articles, structure is similar to creating an amendment

List serve access to all reps and those who you represent

Moved and seconded to move appointments to the next item on the agenda. Passed.
