Mr. Frederic F. Hellen  
115 1/2 W. Capitol Street  
P. O. Box 2584 W. Jackson Station  
Jackson, Miss.

Dear Professor:

Thanks very much for the invitation to the Mississippi Geological Society field trip, but I am afraid I can't go. I shall be in Alabama at that time, but the lure of the Tertiary is too strong. If there is any time available to me it will have to be spent on Tertiary collecting.

Best regards, and thanks,

Sincerely yours,

H. B. STANZEL  
Geologist
