

Dear Henryk:

Grand to get your message of the 11th. That's a relief to my mind. You are tough guy - a true Texan.

I owe Barker a note, but ~~now~~ must continue to do so. Taken about four hours a page.
Records to him and Frank.

Ray Moore is quite a guy. Surly respect him which he might not suspect.

Nice to know of the girls' progress. ~~So~~
Sorry I could not watch them grow up.

Gordon gave us a granddron about six weeks back. Jerry down to a ~~minimum~~ minimum of tranquilizer so we can be most hopeful.

Need more theoria but must wait awhile.

Understand Moody had a heart attack. Do you include him with H.V. ~~just~~ faculty or "white folks"? Always got along with him.

Must take a rain check.

All good wishes,

Merle
