

October 11, 1932

Mr. Charles S. Fleming
92 Remura Road
Auckland, New Zealand

Dear Sir:

Would you be interested in exchanging mollusks with me? I have some fossil mollusks for exchange. Naturally these fossils are not quite as well preserved as recent fossils would be. I am interested in fossil gastropods and also any recent ones. I am enclosing exchange lists. Please check those you would like if you would like to exchange with me.

Yours very truly

H.B. Stenzel
Asst. Prof. of Geology

HBS/HB
Enclosure
