

6.5.43. No.5.

MIDDLE EAST AIR COMMUNIQUE

HEADQUARTERS, ROYAL AIR FORCE

MIDDLE EAST

6 MAY, 1943

Our long range fighters attacked several small enemy vessels in the Aegean Sea, north of Crete on 4 May.

One vessel was abandoned by the crew, who left the ship low in the water. Other smaller vessels were damaged by cannon-fire.

From these and other operations all our aircraft returned safely.
