Mr. Morris K. Jacobsen
455 Beach 139 Street
Rockaway, New York

Dear Mr. Jacobsen :

The box of mollusks arrived several days ago and I am very glad to have the material. In particular the small species are interesting. They seem to be hard to get. I am sending you in exchange 34 species of fossil mollusks from the Tertiary formations of the Gulf Coastal Plain as per attached list. I hope they will come up to your expectations.

Very sincerely yours,

H. B. Stenzel, Geologist
