Dear Dr. Stenzel:

Thank you for your letter of June 22, 1951 which has just reached me, when I left for the West. I was lucky to meet a group of the Texas Technologists near Las Vegas, where we found a number of Chinle localities with fossil remains, which was some help.

Dr. Heinberg also succeeded to secure a position with the Sun Oil Company and specializes now, in exterminating rattlesnakes near Hot Springs, N. M.

I remain,

Sincerely yours,
