BOX 33
WEST NEWTON, MASS.

January 24, 1944

Mr. H. B. Stenzel, Geologist
Bureau of Economic Geology
University of Texas
Austin 12, Texas

Dear Sir :

I have received your letter of January 13th enclosing quite a list of gastropods which you are desirous of obtaining.

It is with chagrin I admit I do not have any of them. Where I have so many shells, it is unfortunate I do not have these. Am sorry because I like to furnish customer's "wants".

Sincerely,

Mrs. F. K. Hadley
