

to Pollardo Hill South

Norbury, London, Sw. 16

14 Aug. 1951

W07

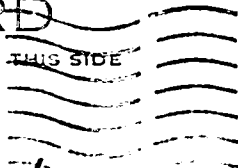

Thanks for your separates recently received.
Between now and the end of the year
I hope to send you a paper on *Eocene*
Serpulids, in which you will find a
detailed treatment of "Tubulostium"
& a mention of the Texas material you
so kindly sent to me.

Yours truly

Arthur Wiegley
