Dear Stenzel:

I expect to be over in your part
of the country within the next two weeks
and I shall appreciate it very much if you
will compare the collections we made on
the Curlee 74 as ^{the} ~~the~~ Co. & those along the S. line
of the Roemer tract where the car chassis was.
As there is an economic problem involved here
I shall appreciate it if you are able to
come to a decision as to whether or not
they are the same bed.

Best regards,
J. M. C.
