Dear Stenzel:

Many thanks for copies of your bulletins, "New Eocene Brachiopods from the Gulf and Atlantic Coastal Plain and Tertiary Nautiloids from the Gulf Coastal Plain", and "The Gastropod Genera Cryptochorda and Lapparia in the Eocene of the Gulf Coastal Plain and Turritellidae from the Paleocene and Eocene of the Gulf Coast".

If things go right, I shall expect to see you in Austin at the coming G. S. A. meeting. Also, I am hoping to bring Sam Lasky along. Sam is at Spokane, Washington, now, but expects to return to Tucson in about a week.

Most sincerely,

President.
