

January 26, 1942

Mr. A. I. Løvorsen
221 Woodward Boulevard
Tulsa, Oklahoma

Dear Mr. Løvorsen :

I am in receipt of your letter of January 5 and the enclosed "Research Committee Survey of Oil Discovery Methods." The Southwestern Geological Society, of which I was president last year, has ceased functioning. I also feel that I am not fully qualified for other reasons to give you a detailed answer to the questions proposed by your Committee. So please excuse me.

Sincerely yours,

H. B. Stenzel, Geologist
