Dear Dr. McLearn:

In 1947 you published on Triassic Gryphaeas (Canada Geological Survey Paper 47-14). If you still have copies of this paper available, I would appreciate one very much.

Dr. R. C. Moore asked me to write the chapter on the Ostreidae for the Bivalvia volume of the Treatise on Invertebrate Paleontology. That is the reason for my interest in Gryphaea of the Triassic.

With best regards,

Sincerely yours,

H. B. Stenzel
