Mr. Wilfred T. Neill
Research Division Ross Allen Reptile Institute
Silver Springs, Florida

Dear Sir:

In reading your article on "The Occurrence of Amphibians and Reptiles in Saltwater Areas, and a Bibliography" I thought of asking you a question.

Are oysters known to grow on sea turtles or other marine reptiles? If you know of any literature on this subject, I would appreciate your letting me know about it.

With thanks,

Very truly yours,

H. B. Stenzel
