

10/8/42 - No. 7

Air Ministry No. 7776

AIR MINISTRY AND MINISTRY OF HOME SECURITY COMMUNIQUE

Last night a small number of enemy aircraft were over places on the South coast of England.

Other aircraft crossed the East coast, and for the most part flew only short distances inland, but a few of them flew to the North West of England.

Bombs which were dropped at scattered points caused some damage and a small number of casualties.

Three of the enemy aircraft were destroyed.
