OFFICE OF THE DEAN

Dr. H. B. Stenzel  
Bureau of Economic Geology  
University of Texas  
Austin 12, Texas

Dear Dr. Stenzel:

Thank you for a complete summary of your professional training and experience which arrived several days ago. This material is being referred to a university committee charged with making recommendations for the appointment of a professor and head of geology. The chairman will, no doubt, communicate with you in the next few days.

Sincerely yours,

  
Charles S. Davis  
Assistant Dean
