Dr. D. R. Semmes
Milam Bldg.
San Antonio, Texas

Dear Dr. Semmes:

I am very sorry to have to withdraw from having to give a paper at the next meeting of the Texas Academy of Science. For this paper I would have to make considerable preparation, but so far I have not been able to get to it at all and will not be able to do any work in that line this week; therefore, I am afraid I would not be prepared to make the talk. Please pardon me for having given you wrong hopes.

I am,

Very sincerely yours,

H. B. Stensel
Geologist
